

Intl. Degree Programs

※ Please refer to latest Application Guidelines

Science

- Department of Chemistry B,M,D
- Department of Mathematics B,M,D
- Department of Physics B,M,D
- Institute of Astronomy M,D
- Institute of Computational and Modeling Science M
- Institute of Statistics M,D

Engineering

- Department of Chemical Engineering B,M,D
- Department of Industrial Engineering and Engineering Management B,M,D
- Department of Materials Science and Engineering B,M,D
- Department of Power Mechanical Engineering B,M,D
- Institute of Biomedical Engineering M,D
- Institute of NanoEngineering and MicroSystems M,D
- Interdisciplinary Program of Engineering B

Nuclear Science

- Department of Biomedical Engineering and Environmental Sciences B,M,D
- Department of Engineering and System Science M,D
- Institute of Analytical and Environmental Sciences M
- Institute of Nuclear Engineering and Science M,D
- International Ph.D. Program in Environmental Science and Technology D

Humanities and Social Sciences

- Department of Chinese Literature B,M,D
- Department of Foreign Languages and Literature B,M
- Institute of Anthropology M,D
- Institute of History M,D
- Institute of Linguistics M,D
- Institute of Philosophy M,D
- Institute of Sinophone Studies M
- Institute of Sociology M,D
- Institute of Taiwan Literature M,D
- Interdisciplinary Program of Humanities and Social Sciences B
- International Master's Program in Inter-Asia Cultural Studies(UST) M

Life Science and Medicine

- Department of Life Science B
- Department of Medical Science B
- Institute of Bioinformatics and Structural Biology M,D
- Institute of Biotechnology M,D
- Institute of Molecular and Cellular Biology M,D
- Institute of Molecular Medicine M,D
- Institute of Systems Neuroscience M,D
- International Ph.D. Program in Interdisciplinary Neuroscience (UST) D

Electrical Engineering and Computer Science

- Department of Computer Science M,D
- Department of Electrical Engineering B,M,D
- Institute of Communications Engineering M,D
- Institute of Electronics Engineering M,D
- Institute of Information Security M
- Institute of Information Systems and Applications M,D
- Institute of Photonics Technologies M,D
- International Master Program in Information Systems and Applications(IMPISA program - ICDF) M
- Ph.D. Program in Photonics (UST) D

Technology Management

- Department of Economics B,M,D
- Department of Quantitative Finance D
- Institute of Law for Science and Technology M,D
- Institute of Service Science D
- Institute of Technology Management M,D
- International Master of Business Administration M
- International MBA in Technology Management(ICDF) M

Education

- Department of Early Childhood Education B,M
- Department of Education and Learning Technology M,D
- Department of Educational Psychology and Counseling B,M,D
- Department of English Instruction B,M
- Department of Environmental and Cultural Resources M
- Department of Kinesiology B,M
- Department of Special Education M
- Graduate Institute of Mathematics and Science Education M
- Institute of Learning Science and Technologies M
- Institute of Taiwan Languages and Language Teaching M,D
- Interdisciplinary Program of Education B

Arts

- Department of Arts and Design B,M
- Interdisciplinary Program of Arts College B

Semiconductor Research

- College of Semiconductor Research M,D

Office of Academic Affairs

- International Intercollegiate Program M,D
- Ph.D. Program in Biomedical Artificial Intelligence D
- Ph.D. Program in Precision Medicine D

Department Individual Recruitment

※ For the admission problem in this section, please contact the department DIRECTLY.

- International Bachelor Degree Program B
- Master of Arts in Political Economy M
- NTHU-UTA Dual EMBA Degree Program M
- Master's Program Established for Waldorf Educators M
- Taiwan International Graduate Program D

※B(Bachelor),M(Master),D(Doctoral) : Have Programs Taught In English Fully

NATIONAL TSING HUA UNIVERSITY

drs@my.nthu.edu.tw

+886-3-5162464

No. 101, Section 2, Kuang-Fu Road, Hsinchu, Taiwan

Costs / Per Semester

Undergraduate

Graduate

Tuition
 TWD 46,100 - 53,200 TWD 26,300 - 36,300

Credit Fee
per credit
 X TWD 2,100 - 5,000

Dorm Fee
 Single room: TWD 16,920~27,800
 2-bed room : TWD 10,920~16,600
 4-bed room : TWD 7,410~11,250

Textbooks
 TWD 5,000 - 10,000

Living Expense
 TWD 48,000 - 90,000

1 TWD ≈ 0.0336 USD ≈ 0.0323 EUR

*There are two semesters in one year.
 *Above fees are counted except for "Department Individual Recruitment".
 *The fees mentioned above are used for reference only. NTHU reserves the right to amend.

Scholarships

International Student Scholarship

*Awarded period: One year. Must be renewed annually.
 *Prospective students : Apply through Online Application System
 (Not include "College of Semiconductor Research" & "Department Individual Recruitment")

TYPE A ✓ Tuition & Credit Fee Waived
 ✓ Monthly Stipend

- Doctoral : Up to **TWD 40,000**
- Master : **TWD 5,000**
- Bachelor : **TWD 5,000**

TYPE B ✓ Tuition & Credit Fee Waived

Taiwan Scholarship *Only For Fall Admission

- ✓ **MOE**
 - **TWD 15,000 - 20,000** monthly
 - Tuition fee waived partially
- ✓ **MOFA/MOST**
 - **TWD 30,000** monthly

FACTS OF NTHU

Basic Info

Students

Total Foreign
17488 **1735(10%)**

QS Ranking

177th Worldwide
34th In Asia **2nd** In Taiwan

Academic

12 Colleges
147+ Degree Programs
36+ Cross-Disciplinary Program

Collaboration

330+ Sister Universities
23+ Research Centers

Where Are We?

Near by "silicon valley" of Taiwan

5 PARTS TO FULFILL

- ✓ Fill out online application form
- ✓ Provide 2 recommendation letters
- ✓ Pay application fee(TWD 0~4,000)
- ✓ Upload required documents
- 📌 Submit before DEADLINE
