Kicking off the Cycling Taiwan 2023 series, the film screening of *Island Etude* invites the audience on a journey of mesmerizing stories about the people and landscapes of Taiwan. The film is about a college student with hearing impairment, who was about to graduate, that courageously undertakes a round-the-island bike trip. During his 7-day journey, this young man comes across various people and adventures. With a heart full of hope, he advances with great passion and experiences the beauty of the island and its people. This film intends to take the audience on a coast-to-coast trip, and to present modern realities of Taiwan by combining dramatic and documentary approaches. This screening will end with a guided discussion with the audience.
