2022 INTERNATIONAL SUMMER CAMP GO FOR SDGS!

The NTHU IBP International Summer Camp is
for young people aged from 15 to 23 who are
from various countries and want to
experience a cross-cultural atmosphere.

Our program encourages young generations to be innovative,
creative, and critical thinkers while also raising awareness of global
challenges.

We are focused on the Sustainable Development Goals (SDGs) and
hope to inspire the next generation to make a difference in our
society.
