

Mandarin Immersion Program: Short-term Mandarin Study Groups for American Students in Taiwan

In December 2020, Taiwan and the U.S. launched the U.S.-Taiwan Education Initiative, a project designed to strengthen international education collaboration, with a specific focus on language education. In 2023, the two sides announced a three-year strategic plan (2023-2025) to broaden this collaborative effort, extending it to K-12 education and academic alliances between universities in Taiwan and the U.S.

Guideline

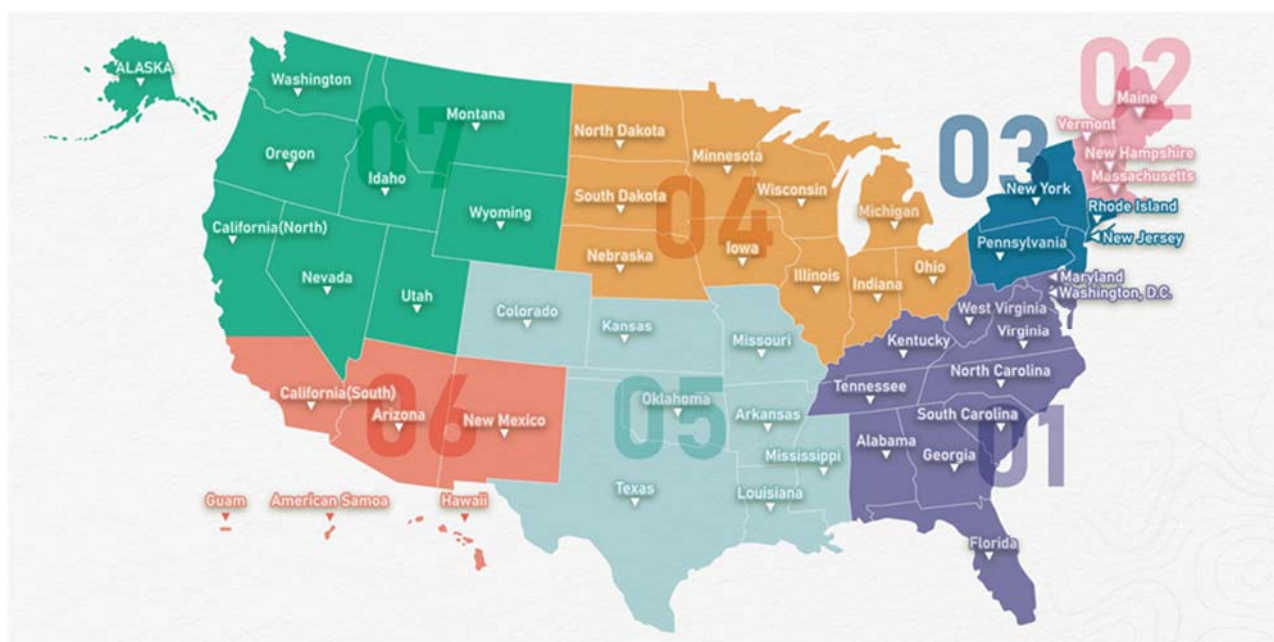

The Ministry of Education (MOE) of Taiwan subsidizes groups of American students to study Mandarin and experience the culture in Taiwan. With the support of our Education Divisions in the U.S., we will pair your school or university with host language centers in Taiwan, crafting customized courses that bring Mandarin and Taiwanese culture alive.

Details of the subsidy are as follows:

- Each group should consist of at least 15 students.
- Each group could be accompanied by 1-2 teachers.
- Each group member will receive a subsidy of NT\$6,000 (approximately US\$190) weekly.
- The study period will be 2-4 weeks. Each week is counted from Monday to Friday, with daily course attendance of no less than three hours to maximize language acquisition.

Schools, colleges, and universities are encouraged to contact one of the MOE Education Divisions in the U.S. to arrange student groups to visit Taiwan.
